Bid No. 2026-012

“CITY OF MOORE LANDSCAPING SERVICES
CONTRACTOR”

“SEALED BID NO. 2026-012”

- 1) **Question-**Is it an all or nothing bid for one contractor or will it be split up between contractors?
 - **Answer-**It will be awarded to just one contractor.

- 2) **Question-**Is there any additional addendum's coming soon from the City?
 - **Answer-**The Bid specifications are as presented but the City will add addendum's if they are needed.

- 3) **Question-**Will Bidders have access to irrigation at each property or will it all just have to be hand watered?
 - **Answer-** Yes, all the properties that have irrigation are listed. The areas that do not have irrigation or not working irrigation will need to water independently.

- 4) **Question-**Will irrigation repair be above the rest of the contract bids because there is no way we will know what is wrong with it and know the cost without actual repair being done.
 - **Answer-**Yes, that will be a separate line item above the cost of services. We need to know what the cost will be for the evaluation of the irrigation systems at each location each year. After the evaluation of the system, you will provide the City with an estimate for repairs, if any.

- 5) **Question-** What is the Primary Factor when selecting a Bidder?
 - **Answer-**It is a multifactor determination process. It will be a combination of price, bidder reputation, experience, and past similar work completed.
