**MOORE YOUTH BASEBALL ASSOCIATION ANNUAL REPORT**

Kacee Coberly, President of Moore Youth Baseball Association, reported that the year went well. There were 59 teams/711 players, in age groups 4 through 12U, registered in the spring and 39 teams/507 players registered in the fall.

The Courage League, fully funded by MYBA, had eight teams/121 players in the spring and eight teams/135 players in the fall.

There were 14 tournaments scheduled in the spring; six were partially/fully rained out. There were 10 tournaments scheduled in the fall; one was rained out. A total 1,141 teams played in the tournaments. They also had food trucks at tournaments to change things up for patrons.

Total gross profit for concessions, league play, and tournaments was \$545,028.49. Total expenses were \$524,661.44. Total net income, with earned interest, was \$20,979.29. One big expense was having United Turf level the fields at a cost of \$52,000. Registration fees for league play next year will stay at \$90 to keep it affordable for everyone; scholarships are still being offered for those on free and reduced lunch.

Chairman Payne asked what their plans are for retained earnings that are carried forward; he also asked how it's working for them not being sanctioned through USSSA. Kacee responded that they still have one year-round employee that receives a weekly salary; they would also like to get more shading after the first of the year. As far as not being sanctioned through USSSA it works better for them so they're able to get more teams to come play.

Vice Chairwoman Mattocks noted that their concessions sales had a big turnaround from last year. Kacee responded that they parted ways with their former concessions manager and their umpire in charge is now managing concessions staff and purchases.

Board Member Milum asked if they received any income from the food trucks that were there during tournaments. Kacee responded that the minimal money they receive goes into their concessions account and having the food trucks come out has minimal impact on their concessions sales.

**6:18pm      Board Member Benson arrived**

Vice Chairwoman Mattocks asked how it's going with the "no cash at the plate" for umpire fees. Kacee responded that some of the teams wanted it that way and other teams liked it the other way, but they've managed to make it work.

Chairman Payne thanked Kacee for his report.

**Agenda Item Number 4 being:**

**MOORE YOUTH FOOTBALL ASSOCIATION ANNUAL REPORT**

Chuck Lewis, President of Moore Youth Football Association, reported that the season consisted of the following: MYFA 7v7 with 840 players; MYFA Tackle with 300 players; Friday Night Lights spring with 150 players; and Friday Night Lights fall with 370 players. Moore Youth Cheer Association, with 75 cheerleaders, also practiced on the fields and cheered during games. Tournaments held were the Fire Starter pre-season tournament with 15 teams; Salute to Armed Forces tournament with 10 teams; and Beast in Pink tournament with 18 teams.

They also formed a partnership with the Oklahoma Inner City Youth League to form the Oklahoma United Youth Football League; their goal is to act as home and away leagues to bring more competition into the city. They also joined the Oklahoma Metro Football League, which brings together PCO, Deer Creek, Mustang, and OICYL, increasing the amount and variety of competition. They're also working to form a partnership with the Oklahoma Flag Football League to have girls flag football, boys flag football, adult women's, and adult men's flag football.

Chuck stated that with the departure of the former association president they're currently in the process of building a board. They are working with accountant Amy Saxon to get their bookkeeping in order and have approximately \$22,000 in their account. They have applied for and paid fees for 501(c) (3) status, which is currently pending; they currently have an active 510 (c) (7) status. He put together a new culture playbook for parents, coaches, and board members to sign to show respect for the field and for each other.

Chairman Payne noted that years ago coaches had to get certification through the National Youth Sports Coaches Association; Chuck responded that they still do require certification. He added that he wants to get MYFA running smoothly, but he does not intend to be with the association permanently and is looking for someone to take over full time.

Chairman Payne thanked Chuck for his report.
